## Prestonfield's Tea Selection

### BLACK TEAS

**All the teas can be taken with milk, or savoured on their own, unless otherwise mentioned.**

**Scottish Breakfast:** A strong malty breakfast tea blended in Edinburgh by our local Edinburgh tea merchants in Rosevear Tea. Malty large leaved tea from India and China, with a hint of sweet orchid flowers and softly smoking cinders, combine to give a reassuringly strong brew.

**Queen's Breakfast:** This blend of Ceylon and Darjeeling black teas is made especially in honour of Queen Elizabeth II. It combines the floral aromas of Darjeeling with the richness and strength of Ceylon.

**Earl Grey Blue Flower:** A full-bodied black tea with aromatic bergamot and blue cornflower petals. A superb Earl Grey.

**First Flush Darjeeling:** Tea from Darjeeling is known as the 'Champagne of teas' and the most sought-after Darjeeling teas are plucked in the first harvest (known as the first flush). Aromatic with vegetal, mossy and citrus notes.

**Lapsang Souchong:** The scent of a wood-burning fire and the taste reminiscent of a smoky single-malt whisky. This is an earthy, smoky, aromatic and truly delicious tea. 'Lapsang Souchong' was a favourite tea of Sir Winston Churchill and is one of the most recognisable of all Chinese teas.

**Lazy Summer Afternoon:** Black tea with rhubarb pieces. Velvety smooth, with notes of strawberry, cocoa, caramel and vanilla. It is the perfect drink to savour in Prestonfield House where rhubarb was first introduced to Scotland.

**Vanilla Tea:** Rich Assam and Ceylon black teas with vanilla pieces. Touches of burnt sugar from the vanilla together with hints of citrus from the Ceylon emerge to make a fascinating and fabulous tea.

**Hazelnut Tea:** Chinese black tea with hazel leaves give this blend a rich nutty flavour and a natural vanilla sweetness.

**Rose Petal:** The fragrance of roses in a cup. Freshly dried rose petals blended with an aromatic Chinese congou black tea and essence of Rose.

## OOLONG AND GREEN TEAS

**Green Dragon:** A full flavoured green tea from Yunnan, the birthplace of tea in China with a fresh, clear and relatively strong infusion when infused for several minutes, but it is also a tea that can be enjoyed lightly infused for a delicious subtle grassy note.

**Jasmine Blossom (Organic):** This tea has been naturally scented with jasmine by alternating layers of fresh jasmine flowers with the organic tea overnight, and then removing the flowers in the morning. This process is repeated a further three times with fresh flowers to bring the headiness of jasmine in your cup.

## HERBAL TEAS

**Evening Chai:** A beautiful warming and spicy herbal blend on a base of cocoa and carob pieces, with the delightful addition of exotic spices that include cinnamon, cardamom, ginger, liquorice and cloves, with an added sweet vanilla note.

**Rhubarb Rooibos:** A blend of rooibos and rhubarb pieces. It has the distinct, authentic taste of rhubarb with a creamy vanilla undertone from the rooibos base. A perfect caffeine-free infusion to savour in Prestonfield House where Rhubarb was first introduced to Scotland.

**Whole Leaf Peppermint:** Exceedingly aromatic whole peppermint leaves. The most intense peppermint tea we have ever tried.

**Camomile Flowers:** Very aromatic with notes of apple and a floral sweetness. Take a moment to relax with this classic herbal tea. Camomile flowers are reputed to reduce insomnia and stress while boosting the body's immune system.
